

The Mentor Buddy

Let's walk together the path to your dream school

Quite often than not, students face a scarcity of available resources and people to reach out to while applying for their higher studies. There's a plethora of study materials to refer to but limited hours to study. Which resource should I target? Does my CV actually portray my true capabilities? How do I know if I am approaching my essays right?

We'll be your buddy, mentoring you through each checkpoint on your path to your dream school.
